From: Johan Klehs, Chair

I disagree with the official Board of Equalization position of support, opposition and neutrality on the July 31, 2002, Legislative Committee agenda. While not listing all of the bill positions with which I disagree, I would like to specifically list the following and my position:

AB 1666 (Horton)

| | |
|---|---------|
| 1. BOE licensing program | Support |
| 2. BOE determine debt status: retailers and distributors | Neutral |
